Hey Aim, tomorrow is the big meeting at the board of supervisors. Curious if you wanted to speak to the medical benefits of MMJ. This is our last ditch effort to put some emotion behind our effort to persuade them. If not, no worries just wanted to give you the opportunity. Love you,

Yes, I'll come down after dropping Steel at school at 8:30- so I'll be a little late. Where do I go?

It starts at 9:00 sharp and it may be difficult to get into the room once it starts. It's in room 310 at the following address:
1600 pacific coast hwy,
San Diego, CA [92101](#)
Please don't feel like you need to go. I just thought you may want to witness this crap for yourself. If you cannot get there by 8:45 you most likely won't be able to speak because you

I'd like to go and I tried to get help with Steel this morning, but I can't make it. I've been praying. Good luck and let me know what happens. Love you

No worries Aim, I'll let you know how it goes. I have low expectations!

Hey there. Did you hear back from the dispensary guys? My delivery was raided last week btw. Anyway, I'd like to meet them and see the store. Would it be easier to give me their info and I'll chase them down? I'd like to get involved too. Love ya and thanks for all you do for us.

You're welcome. I have a call with the county attorneys at 1:00 so I will be listening to a call for part of the time. We can meet there or somewhere along the way. I have not said anything about you working there. Let's check it out first and then discuss. Love you

Hey! Loved the music!

I've been thinking a lot about starting the delivery service. We need to chat a bit again. Can we make a meeting time please? Whenever its family time I don't want to talk business. We need our family time too 😊 love ya

I just talked to John Murphy. He thinks we can't set up delivery either operating from Olive Tree or a satellite location. He thinks we could ask the county and try to get it

Hummm, wasn't sure about John. Seemed like he knew what's up. You know- I don't feel like I can trust anyone. Early next week would be better for me. Not much on my calendar

How about Starbucks off Del Mar Heights Road, left (west) at off ramp, it's in the first center on right.

Ok

I sent you an Facebook page link on messenger. There's a guy claiming Biker was murdered. I'm completely floored. I'm going to talk to the guy who's claiming it tomorrow morning.

What? Who is this person? Not sure you should be the one talking to him. I never look at facebook but will now.

Hi Amy, would you be available tomorrow morning to grab a coffee. There are some things I need to share with you regarding your potential lawsuit with Brad. Thanks, Love you

Yes of course. When are you available?

Great. Anytime after 7:30 am works for me.

How about 8:15? Right after I drop Steel off

Do you prefer Starbucks, Pete's or Panikin on PCH.

Pete's is good with me

Perfect. See you there around 8:15.

Cool

Hey Amy, I know times have been tight and that you need to stock up for you and the boys. I am leaving an envelope under our mat with some cash for you. Please take it and use it to stock up and to have in

Amy, not a day goes by that I don't think about you and the boys. You've made it clear that you don't want to speak with me because you feel I have done wrong by you, even though I disagree I am doing my best to be respectful and give you as much space as you need. Today marks the 5-year anniversary of losing one of my best friends, your husband. I feel the need to break the silence today, if only for a day, because I want you to know that I am thinking about you, praying for you, and I do love You

you, even though I disagree I am doing my best to be respectful and give you as much space as you need. Today marks the 5-year anniversary of losing one of my best friends, your husband. I feel the need to break the silence today, if only for a day, because I want you to know that I am thinking about you, praying for you, and I do love You, Titus and Steel (I always have and always will). Please don't ever doubt that. It's not necessary for you to respond, I just wanted you to know. Love, Steve
